

SIMPLE GREEN® Outdoor Cleaner Concentrate

- Cleaner and deodoriser that safely removes stains from outdoor surfaces caused by mould & mildew.
- Penetrates the surface and loosens the dirt that the biologicals are growing in. Once loose they are easily removed with a scrub or a strong wash down or both.
- Leaves a mild residue that will deter and eliminate the fast regrowth of moss and mould.

- Use on concrete, pavers, decking, outdoor furniture and more.
- Non-toxic, readily biodegradable, non-abrasive, non-corrosive, non-flammable.
- No bleach or Phosphates, Non-Acidic & Non-Caustic.
- Safe for people pets and plants & the environment.
- MPI approved C32.

Eliminates the fast re-growth of moss and mould!
